CLUB ONLINE OVATION EDUCATION AWARD

ONLINE OVATION/EDUCATION AWARD

Clubs qualified for these awards by meeting both of the following criteria by June 30, 2020:

- ▶ Indicated in Club Central that they allowed online attendance
 - The club must have allowed online attendance between January 1 and June 30, 2020. If the club already allowed online attendance prior to January 1, 2020 and continued to allow online attendance, it would have qualified. If the club did not allow online attendance prior to January 1, 2020 and began allowing online attendance, it would have qualified. Clubs that never allowed online attendance between January 1 and June 30, 2020, would not have qualified.
- ▶ Achieved the listed education goal requirement in one of two tiers
 - The first tier (Silver) award was presented to those that achieved four education goals (traditional, Pathways, or a combination), based on the DCP.
 - The second tier (Gold) award was presented to those that achieved six education goals (traditional, Pathways, or a combination), based on the DCP.
