2. After completing registration, you will be transported to the Speechcraft Gateway. We recommend you bookmark this page (www.toastmasters.org/Speechcraft) for ease of future access to your Speechcraft learning. Click the “Go” button to access the Speechcraft Portal on Base Camp (the system where Speechcraft learning lives).
3. Take the Self-Assessment—Before evaluation. This is an important step as it creates a baseline for your Speechcraft experience and will help you gauge what you learn and how your skills develop. You will find the assessment listed as the first item in the “Surveys to Complete” box. Click on the title.

   Internet speeds vary depending on your internet service provider and the country you live in. Some items on Base Camp may take longer to load than others.

Complete this assessment before you begin your Speechcraft course.

To complete the Assessment:
6. Click directly on the blue bar (be sure not to open or click on the drop-down), which will now read “Mark Complete”—this simply indicates that you are ready to begin the assessment.

7. The page will refresh and the blue bar will now read “Evaluate”—click directly on that (and not on the drop-down) and the self-assessment introduction page will open.

8. The self-assessment introduction page will note that this assessment is only available for 10 days (after you first access it from the Surveys to Complete box). Click “Continue” at the bottom of the page.
9. Rate your level of agreement with all statements (click on “Next” to scroll through all three pages) and click on “Submit Final Answers” after rating the last one. You will be returned to the Self-Assessment—Before/Details page. You can now leave the Speechcraft Portal on Base Camp. Remember, when you are ready to return to the Speechcraft Gateway, you will want to use the page you bookmarked: www.toastmasters.org/Speechcraft.
